DESCRIPTION

The Twist side table by designer Alexandre Dubreuil is the perfect companion to your sofa, your armchair or even your lounge chair as it is made for outdoor use. Its elegant perforated metal top swivels to move towards or away from you on demand with perfect fluidity. The raw concrete ballast ensures stability. This side table is the perfect choice for a TV dinner or to hold a cocktail, a magazine or your tablet. The height of the pole is adjustable to fit your furniture.

DESIGNER

Alexandre Dubreuil's global experience, from the design of industrial objects to interior architecture for permanent spaces or events, leads him to reconsider the interactions between people, spaces and objects.
