## SHOW ME, SHOW ME NOT, SHOW ME...

Instantly recognisable with its simple combination of graceful thin bars and slim sculptured metal, Teaser is the perfect shelf for displaying your favourite items.

Its linear design creates an eye-catching wall piece that suits virtually any room.

Teaser is ideal for all sorts of purposes, from keeping your papers in order to displaying your most treasured possessions.

Teaser's clever construction allows you to turn one shelf into three shelves on top of each other simply by adding 4 extra space rod bars and placing them in between two shelves.
