Assembled

The Z cube is one of our more exclusive products and is delivered assembled. Just attach the furniture to the wall, and start to decorate and design your home.

Design your wall

Z is a shelf module system with endless possibilities. Choose a stand-alone shelf, a full wall, or make your own creative pattern.

Multifunction

The Z cubes can be turned in two ways to create a nice pattern. The wall fittings are adjustable to facilitate hanging the shelves side by side. The shelf also comes with four adjustable feet and can be placed on the floor. Oak coloured legs can be added as an extra accessory.

Design by: Tenzo Design studio

Established in 1934 as a local wood furniture producer, Tenzo is today an international company that specializes in modern, high-quality colourful furniture with a genuine Scandinavian touch.

UNEXPECTED STORAGE

Z is a simple, yet versatile shelf – just turn it 90 degrees to create a new look. The clean proportions and simple geometry celebrates the Nordic design and the edges are nicely rounded to contribute to a soft and classic style. Unexpected storage that suits all spaces in your home and furniture with timeless elegance.

The Z modules can be turned and hanged in two ways, so the tiers create a nice pattern. Use as a single or make your own shape with several Z cubes. It is the perfect piece of furniture to be creative with. With Z, it's easy to change the styling of your home, just change the decoration and you get a new feeling.
